Dear Ms. Trainer:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

Regarding Schedule A supporting Line 15, the item described as "REIMBURSEMENT STUDIO TIME" which you questioned is not a refund and does not correspond to a specific disbursement. This is an offset to operating expenses.

In the future, we will refrain from using the term "reimbursement" except for items which correspond to a specific disbursement.

We do not intend to amend this report in addition to filing this explanation. I trust this response answers your inquiry. If you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck
Director of Accounting
